

## Year 6 Curriculum Overview Autumn Term 1

<p><b>English</b> <b><u>Fiction, non-fiction and poetry</u></b> Pupils will discuss and read the powerful WWI fictional texts, <i>War Horse</i> and <i>War Game</i>. In addition to this, they will also study <i>The Day of Ahmed's Secret</i> and a range of poems on the theme of Black Lives Matter. They will consider the issues raised and write personal recounts and associated poetry. Pupils will revise clauses and use formal and informal register, including subjunctive form, study verbs (perfect form) and adverbials.</p>		<p><b>Maths</b> Pupils will consolidate their knowledge of place value and name, order, read and write numbers up to 100,000,000. Pupils will continue to use the long and short formal written method of multiplication used in Year 5 to accurately solve problems. Pupils will use short division to interpret remainders in the context of the question and use long division to divide by 2 digit numbers.</p>	
<p><b><u>Guided reading texts - Wonder by RJ Palacio/The Boy at the Back of the Class by Onjali Q Rauf</u></b></p>			
<p><b><u>Science</u></b> Pupils will revisit the different states of matter and consider the formation of the particles. They will separate different mixtures and consider what happens during dissolving. Pupils will learn about what happens during burning and study different physical and chemical changes.</p>	<p><b><u>Humanities</u></b> Pupils will learn about Victorian social classes and how this affected their living and working conditions. They will look at different Victorian inventions during the Industrial Revolution and how these had an impact on the local area and beyond.</p>	<p><b><u>Art</u></b> Pupils will develop their photography skills and techniques to design a range of creative photographic outcomes. The final piece will result in the pupils applying their observation and proportion knowledge to produce a portrait in a photo-realistic image in the style of a chosen artist.</p>	<p><b><u>Computing</u></b> Pupils will explore the different ways of communicating with others and looking in depth at search engines.</p>
<p><b><u>Music</u></b> Pupils will be learning what a melodic phrase is and using other musical elements to listen and describe music. Pupils will be composing, improvising and writing melodic phrases and building them into a sequence.</p>	<p><b><u>RE</u></b> Pupils will learn about Islam and how Muslims show commitment to their religion. They will learn about the 5 pillars of Islam and how each of these demonstrate commitment.</p>	<p><b><u>PE</u></b> <b><u>Netball</u></b> Pupils will consolidate their understanding of the principles of attack and defence and apply a range of effective passes, in order to keep possession. <b><u>Running</u></b> Pupils will apply a refined understanding of running for speed, pacing and jumping for distance. They will communicate developmental feedback and show respect to others.</p>	<p><b><u>PSHE</u></b> Pupils will focus on wellbeing and settling into a new year and class. Pupils will learn about respect, what stereotypes are and how to challenge them. They will also study resolving conflict and how to effectively deal with loss and grief.</p>
<p><b><u>Assembly Themes:</u></b> Children will learn about the value of <b>respect</b> this half term. They will also learn about the significance of Harvest Festivals for Christians and build upon their knowledge of The Wavendon Gate Way, our behaviour curriculum.</p>
