

## Year 1 Curriculum Overview Spring Term 1

<u>English</u>	
Pupils will be learning about the features of	Pupils will continue to
information texts and will be looking at writing their	and in particular sub
own information texts about how to look after pets.	complete missing nur
Pupils will also continue to develop their knowledge of	enable them to deve
fiction stories, looking at the story of 'Paddington'.	will start to practise
Pupils will also look at poems about the senses and	numbers up to 50, in
write their own.	capacity.

## <u>Maths</u>

Pupils will continue to practise the skills of adding and in particular subtracting numbers within 20 and complete missing number questions and puzzles to enable them to develop their reasoning skills. Pupils will start to practise their place value knowledge with numbers up to 50, including length, weight and capacity.

<u>**Phonics</u></u> – Pupils will continue to follow the Read Write Inc scheme for phonics and will read independently within all daily phonics lessons. They will be grouped according to their stage on the programme and will learn to read, write and spell words that contain the focus sounds. Pupils will also continue to build upon their knowledge of everyday 'red words' which cannot be decoded as they do not follow a specific phonic pattern.</u>** 

knowledge of every day fed words which cannot be decoded as mey do not follow a specific phonic partern.
